# STUDDED LEATHER DOG COLLAR

Highest quality Italian full grain leather. Yes, that premium durable leather that would last for years and is hard to find now.

Handmade for you and your wild one by a fantastic leather artisan in Northern Europe. Combined with some steel and matching stitches. Looks reassuring, but not intimidating. Spikes are blunt.

And a matching wristband! Looks good both with a suit and jeans. This one probably slightly better with jeans though.

# WIDE LEATHER DOG COLLAR

Leather wide (25mm) collar. Our flat collars, like all our leather designs are craftsman-handmade products, stitched, edge bevelled and fitted with a solid brass buckle, with a strong fixed keeper.

We keep some stock of wide collars (Black & Rich Brown) in the popular neck sizes for direct delivery, but often we make your collar to order.

With the purchase of all our leather products, you will receive a gift of our Top Dogs 2021 Tea Towel FREE (while stocks last).
