A4 Menu Holder Burgundy Smooth Leather

The biker jacket is probably the most iconic leather jacket option. This jacket exudes style and has a definite "cool-factor." A biker jacket can be worn by anyone, though, and you don't even have to have a motorcycle. This jacket comes in many colors and feature options, which allows you to customize your leather biker jacket to your own tastes. Leather is a strong and durable material It is extremely thick and can take a beating. That is why the leather biker jacket ultimately serves a purpose, along with looking ultra-cool. The leather biker jacket was initially designed to help protect bikers from the elements and the occasional fall or accident.
